By signing below, I understand that I am required to provide a minimum of one full day of assistance for ANY event(s) in which I enter students including District Festival, Greater Jacksonville Piano Competition and State Convention. I also understand that if for any reason I cannot fulfill this obligation I must provide a responsible substitute worker. This is mandatory and allows for these events to run smoothly for all who participate. Failure to comply with this rule will result in suspension of student participation in Federation events the following year.
